

Working with Us ~ Does the Shoe Fit?

Tarran Deane Education & Corporate Cinderella have been created to provide a unique, high quality experience for executives, entrepreneurs and leaders who are passionate about the work they do, who are committed to shaking the status quo, practicing diligence and holding onto their values and the important people in their life.

This 'shoe' will not fit people or organisations

- ❖ who blame leadership, don't take personal responsibility and gossip
- ❖ who do not support the role of women in leadership or resent the promotion of women
- ❖ who confuse femininity and candour with incompetence
- ❖ who confuse strength with either arrogance or aggression
- ❖ who are just plain angry or carry huge chips on their shoulders
- ❖ who get caught up in the blame game rather than being solutions focused
- ❖ who are not prepared to invest time, attitude or finance towards professional and personal development
- ❖ who are not prepared to be accountable for their actions and inactions
- ❖ or simply begrudge others their own success - whether employer or colleague.

This 'shoe' will be a great fit for people and organisations

- ❖ who want increased clarity about their role and position
- ❖ who want to inspire, equip & lead with increasing effectiveness
- ❖ who honour their leaders, employers and stakeholders with a positive attitude and not lip service
- ❖ who recognise leading now requires diverse skills and that 'breaking things fast' is the way to innovate
- ❖ who are coming to terms with progress is better than perfection, and some things are not negotiable
- ❖ who value helping others and contributing to the community as much making money
- ❖ who recognise that completing workflow means re-evaluating priorities in order to leave work on time
- ❖ who want to achieve their goals and increase their capacity to adapt to changing circumstances
- ❖ who love their partner and their children and are prepared implement boundaries to honour their family time

Additionally:

- ❖ the range of programmes offered through [TarranDeane.com](http://www.tarrandeanne.com) and Corporate Cinderella require a reasonable investment. I believe firmly in the value of the content and the outcomes you'll achieve for you and your enterprise.
- ❖ from time to time you may also be required to travel to Burleigh Heads - Gold Coast, my home town of 25 years, for events. Golden sands, rolling surf, national parks, walkways and cycle ways. It's a tough gig, right?
- ❖ if participating in our events and online social media you'll be required to be genuine about your strengths and weakness, uphold all legislation and a high moral code, so that together, we can share strategies to build success.
