

## Working with Us ~ Does the Shoe Fit?

Tarran Deane Education & Corporate Cinderella have been created to provide a unique, high quality experience for executives, entrepreneurs and leaders who are passionate about the work they do, committed to shaking the status quo, practicing diligence and holding onto their values - and the important people in their life. Whether Conference Speaking, Coaching or Training we believe....

### This 'shoe' will not fit people or organisations see what we did there? "Cinderella" "Shoe" - you get it :)

- ❖ who blame leadership, don't take personal responsibility and gossip
- ❖ who do *not* support the role of women in leadership or resent the promotion of women
- ❖ who confuse femininity and candour with incompetence
- ❖ who confuse strength with either arrogance or aggression
- ❖ who are just plain angry or carry huge chips on their shoulders
- ❖ who get caught up in the blame game rather than being solutions focused
- ❖ who are not prepared to invest time, attitude or finance towards professional and personal development
- ❖ who are not prepared to be accountable for their actions and inactions
- ❖ or simply begrudge others their own success - whether employer or colleague.

### This 'shoe' will be a great fit for people and organisations

- ❖ who want increased clarity about their role and marketplace position and are, well, teachable
- ❖ who want to inspire, equip & lead with increasing effectiveness - whatever industry they're contributing to
- ❖ who honour their leaders, employers and stakeholders with a positive attitude and not token lip service
- ❖ who recognise leading **now** requires diverse skills and a spirit of excellence - not crippling perfection
- ❖ who understand that consultation does NOT abdicate decision-making and some things are not negotiable
- ❖ who value helping others and contributing to the community knowing that prosperity comes in many forms
- ❖ who recognise that completing workflow means re-evaluating priorities in order to leave work on time
- ❖ who want to achieve their goals and increase their capacity to adapt to changing circumstances
- ❖ who love their family: partner, children and tribe, and are prepared to implement boundaries to honour their family time

### Additionally:

- ❖ the range of programmes offered through [TarranDeane.com](http://TarranDeane.com) and Corporate Cinderella require a reasonable investment. We believe firmly in the value of the content and the outcomes you'll achieve for you, your enterprise and/or event.
- ❖ Individual Clients: from time to time you may also be required to travel to Burleigh Heads - Gold Coast, my home town of 25 years, for events and coaching sessions. Golden sands, rolling surf, national parks, walkways and cycle ways. It's a tough gig, right?
- ❖ if participating in our events and online social media you'll be required to be genuine about your strengths and weakness, uphold all legislation and a high moral code, so that together, we can share strategies to build success.
